

TOPPER SAILBOATS CANADA IS PLEASED TO JOIN THE QUEBEC SAILING FEDERATION TO ANNOUNCE THAT THE TOPPER SAILBOAT HAS BEEN CHOSEN FOR THE 12 – 17 YEAR OLD GROUP AT THIS YEAR'S JEUX DU QUEBEC IN THETFORD MINES, AUGUST 1ST TO AUGUST 4TH.

After 40 years of continuous production and over 50,000 boats it is the outstanding build quality, durability and innovative design features that have made the Topper a globally recognized sailing icon.

The Topper is an ideal - and proven - single-handed racing dinghy for junior, youth and smaller adult sailors. It is:

FUN

With a 5.3sqm sail it has good upwind and downwind performance, making it a thrilling, accessible and exciting sail.

FAST

The lightweight hull and the large sail area make the Topper a fast boat for its size, and being so close to the water just makes it appear so much faster.

SIMPLE

With a single hull and sail provider, measurement is simple and conducted with minimum of fuss.

LIGHT

At just 43kg the Topper is the lightest boat of its size and configuration in the world. It is easily righted after a capsized.

DEMOGRAPHICS

Sailor Demographics – the ideal sailor is between 40 and 60 kg and between 140 and 170 cm. The class is sailed by equal numbers of male and female sailors.

INTERNATIONAL

With over 50,000 boats worldwide in over 50 countries, a recognized International Class and a well-established international class structure across Europe, the Middle East, Far East, America and Australasia, Topper sailing is truly international.

The Topper is a World Sailing recognized international one-design. The Topper was designed by Ian Proctor whose other boats include the ever popular Wayfarer.

Topper Sailboats Canada is pleased to offer Quebec Sailing Federation members an introductory price. For more information please contact:
