

SKS Instructor - Introduction to Sailing

Since 1888, the Royal St. Lawrence Yacht Club has enjoyed and promoted the pursuit of excellence in yachting. Located on Lac St. Louis in Dorval, Quebec we are seeking experienced, bilingual “Start Keelboat Sailing” certified instructors for its 2020 season for both of our *Adult Sailing* and *Women on the Water* programs.

Adult Sailing Program

Our Adult Sailing program has a fleet of six Shark sailboats that we use to conduct two evening Introduction to Sailing courses on Monday’s and Wednesday evenings in June and July as well as a week long, weekday session at the end of July. Our twenty five hour course is provided in English only and modelled after Sail Canada’s *Start Keelboat Sailing* course. For more information on our Adult Sailing courses and our Club please visit <https://rstlyc.qc.ca/index.cfm?ID=367>

Women on the Water Program

We are also seeking qualified female instructors to organize and teach our “Women on the Water” sailing program, which offers a slightly shorter format than our full Introduction to Sailing course. For more information on this WOW program please visit <https://rstlyc.qc.ca/Womenonwater>
